DOCKET NO. 2006-31

IN THE MATTER § TEXAS STATE BOARD OF  
OF THE LICENSE OF §  
KEVIN DWYER, D.V.M. § VETERINARY MEDICAL EXAMINERS

AGREED ORDER

On this, the 15<sup>th</sup> day of June, 2006, came on to be considered by the Texas State Board of Veterinary Medical Examiners ("Board") the matter of the license of KEVIN DWYER, D.V.M. ("Respondent"). Pursuant to Section 801.2056, Texas Occupations Code, a committee of the Board's staff met on April 27, 2006 to consider alleged violations of the Veterinary Licensing Act and the Board's rules by Respondent.

Respondent, without admitting the truth of the findings and conclusions set out in this Agreed Order, wishes to waive a conference under Section 801.2056 and thereby dispose of the compliance issues set out below. Respondent agrees to comply with the terms and conditions set forth in this Order. In waiving the right to a conference, Respondent acknowledges his understanding of the alleged violations and the adequacy and sufficiency of the notice mailed to him.

Upon the recommendation of the staff committee and with Respondent's consent, the Board makes the following Findings of Fact and Conclusions of Law and enters this Agreed Order as set forth below.

**Findings of Fact**

1. The Board has jurisdiction over the subject matter and Respondent. Respondent has received all notice which may be required by law and by the Board's rules. All jurisdictional requirements have been satisfied.
2. On February 7, 2006, the Board received a letter from Kevin Dwyer, M.D., D.V.M., Belton, Texas, stating that he had failed to obtain the 17 hours of required continuing education (CE) for calendar year 2005. Further review showed that Dr. Dwyer was one hour short of the required CE for calendar years 2003 and 2004, respectively. Dr. Dwyer stated in his letter that he is a medical doctor - a radiologist - and does not have a veterinary clinical practice. He does some consulting work and occasionally assists other veterinarians, but he has no actual case records and does not possess any controlled substances.
3. Dr. Dwyer did not request a hardship extension for the missing CE hours in 2003, 2004, and 2005.
